

Reorganization and Prioritization of Commitments

To comply with the maximum number of commitments set by the local program of the OGP, the steering committee (composed of representatives of the municipality and civil society organizations that support the initiative of the adherence of the municipality to the 'OGP-Local') has agreed to reorganize the commitments of the action plan: Tetouan, open municipality 2023-2026 as follows:

OGP VALUES.	COMMITMENT No	PURPOSE OF THE COMMITMENT	2023	2024	2025	2026
Transparency	3	Proactive publication of information relating to municipal management and services.				
	1	- <i>Reinforcement of financial transparency.</i>				
	2	o <i>Guide to financial support and partnership with civil society organizations.</i>				
Accountability	4	Public monitoring of the implementation of the municipal action plan (PAC).				
	5	- <i>Public monitoring of the implementation of the OGP local plan: Tétouan, Commune Ouverte 2023-2026.</i>				
Innovation	7	Digitization for quality local services.				
	8	- <i>Inclusive communication.</i>				
Inclusion	9	Inclusion through Culture and Sport.				
	10	- <i>Accessibility to the heritage space for.</i>				
Participation	11	Civic spaces for thematic action plans.				
	6	- <i>Development of a local ODD agenda.</i>				

The objective of the committee being to establish an action plan taking into account the values of transparency, accountability, participation, inclusion and innovation, the action plan is structured according to these values in 5 priority commitments (in Bold), the other commitments (in Italics) will be implemented as a related activity relating to the subject of the priority commitment.

The steering committee considers that the action plan submitted is the result of a participatory and consensual process; it plans, where appropriate, to merge the "non-priority" commitments with the prioritized commitments, but without affecting the agreed tasks or activities.

The steering committee: Tetouan action plan, open municipality 2023-2026.
